Re: NOTICE TO RESIDENTS

Dear Residents,

On Side Restoration Services will begin repairs to damaged units starting on Wednesday, November 16th. We are arranging a very large crew to do the repairs as fast as possible.

We will require access to all damaged units during business hours, 8:00 am to 4:30 pm Monday through Friday.

Please provide the concierge with a key to your unit for access as soon as possible.

Thank you,

Martin Jones CR
